

Family Development Program

Are you a single mother
who wants to return to
school?

Lifeline Inc.

This unique program for Lake County residents assists low-income families in achieving their goal to become a strong, self-sufficient family. Single mothers will receive the support they need to continue their education and will set goals with a family advocate to achieve success. Goals may include strengthening the family unit, improving the family financial status, or removing other barriers that prevent self-sufficiency.
