

# Do You Need to Build New Skills?

## Visit our Free, 24/7 eLearning Website

The Ohio Literacy Network has developed an eLearning website that provides adult learners, educators and tutors a one-stop resource for learning and skills development that's available anywhere, anytime. Our user-friendly website features streaming video and multi-media lessons, interactive exercises and skill-building resources for GED preparation, computer training, workplace and basic skills development.

Visit: [www.ohioliteracynetwork.org](http://www.ohioliteracynetwork.org). You'll find study tools for every age and skill level!

### Workplace Skills Development Resources:
